How to get access to ION programming software

The ION programming software is accessible vi MyView in Partner Central.

To get access to the programmingssoftware you need to be a member of PartnerEmpower, do a programming training course and fill out a form that has to be accepted by Motorola Solutions.

Here is how to get access:

•   Apply for PartnerEmpower here:

https://partnerapply.motorolasolutions.com/s/?language=en_US

•   Take training course PCT0131 here:

https://learning.motorolasolutions.com/online/69342enus

•   Request Datamatik to fill out this form:
